Seattle, Wash., Oct. 12.—"Well, she's of legal age, anyway!" This was the decision reached by F. L. Edgbert, 55, when he appeared before "Cupid" Gage, marriage license clerk at the court house here and asked for a license to wed Mrs. George, an aged Indian squaw, a widow, holder of valuable rights on the Squamish reservation. They guessed her age finally, at 90. And Edgbert got the license.

 —the enclosed car is best for you—
 If you want your investment working for you the year 'round—if you want a car that is at your service every day and in all kinds of weather—then you want an enclosed car—and all enclosed cars the modern Detroit Electric is at once preferred and the most practical.
 In the Detroit Electric you have roomy comfort for all passengers and a simplicity of mechanism which enables each member of your family to drive in perfect safety. The motor—producing a continuous, vibrationless power flow—is so mechanically efficient that but rarely does it need attention. The higher capacity battery of exclusive Detroit Electric design (guaranteed) provides greater mileage without need for recharging than you ordinarily use in an entire day's motoring. And from the standpoint of upkeep cost the Detroit Electric is most economical. Current for battery charging is furnished at low rates (55 to 57 per month) and is growing lower constantly. A demonstration ride is awaiting you.
